Respected Principal Ma'am,

I am writing to request your permission to pursue a training/internship opportunity at Gram Panchayat, Kalwar, which I believe will be invaluable to my academic and professional development.

I am currently enrolled in the M.A./M.Sc. Geography program at R.K. Vigyan (P.G.) Mahavidyalaya. As part of our academic curriculum and personal growth, it is encouraged for students to gain practical experience in a professional environment related to our field of study. Gram Panchayat, Kalwar is renowned for its excellent Environmental Testing Techniques, particularly in Instrumentation handling, and I believe that an internship there would provide me with valuable insights and hands-on experience.

The internship is expected to last for 3 months, beginning from August 16, 2022 and concluding on November 15, 2022. During this period, I will be under the guidance and supervision of the Gram Panchayat, Kalwar staff, learning about Sampling Procedures, Quality Control and Assurance, Analytical Methods, Data Analysis and Environmental Regulations. I am committed to maintaining a high level of professionalism and dedication throughout my internship.

I assure you that I will manage my academic responsibilities at the college efficiently and ensure that my absence does not affect my coursework or any college activities. I will work closely with my professors to make up for any missed classes or assignments and submit them promptly.

I kindly request your approval and support for this internship opportunity. Your permission will enable me to gain practical knowledge and contribute to my personal and professional growth. Additionally, I am willing to comply with any college guidelines or requirements for internships.

I am excited about the prospect of learning and contributing to the testing field through this internship at Gram Panchayat, Kalwar. I believe that the experience I gain will not only benefit me but also reflect positively on our college. Thank you for considering my request.
