Minutes:

The meeting was called to order by Principal at 11.AM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

To organize Orientation Program & Fresher Day celebration:

The Principal proposed organizing an Orientation Program to help new students acclimate to the college environment and familiarize them with the facilities and academic programs. Additionally, a Fresher Day celebration will be arranged to welcome and integrate the new students into the college community. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.

To prepare Class Time Table & Subject Allocation:

The Principal emphasized the importance of an efficient class timetable and subject allocation for effective academic operations. It was suggested to form a committee comprising faculty members from various departments to develop a comprehensive timetable that optimizes resource allocation and minimizes scheduling conflicts. The committee will take into account student preferences and ensure a balanced distribution of subjects.

To prepare Academic Calendar and Departmental Calendar:

The Principal proposed the preparation of an Academic Calendar that includes important dates such as examinations, holidays, and academic events. This calendar will provide students and faculty members with a clear overview of the academic year. In addition, departmental calendars will be created to outline specific activities and events related to each department. Faculty members were requested to collaborate and provide input for the calendars.

Conduction of Internal Examination & its assessment:

To monitor students' progress and ensure continuous evaluation, the Principal suggested conducting regular internal examinations and assessments. Faculty members will be responsible for designing appropriate evaluation methods and conducting timely assessments to provide feedback on students' academic performance. The assessment schedules and evaluation criteria will be communicated to both faculty and students.

To conduct Seminars, Conferences, Industrial Visits, Educational Tours:

The Principal emphasized the importance of providing students with opportunities for practical exposure and learning beyond the classroom. It was proposed to organize seminars, conferences, industrial visits, and educational tours to connect theoretical knowledge with real-world applications. Faculty members were encouraged to collaborate with industry professionals and experts to facilitate these activities.

To organize Alumni Engagements and to depute Mentors, Student Representatives for each class:

The Principal highlighted the significance of engaging with alumni and suggested involving them in mentoring programs. The alumni network will be utilized to establish connections between current students and successful graduates, offering guidance and support. Mentors will be assigned to each class to provide personalized assistance and counseling. Student representatives will also be selected to act as liaisons between the students and the administration.

Conduction of value-added programs, competitive classes:

The Principal proposed conducting value-added programs to enhance students' skills beyond the regular curriculum. These programs may include workshops, skill development sessions, and specialized training relevant to students' career prospects. Additionally, competitive classes will be organized to prepare interested students for competitive exams and external competitions.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

To conduct Co-curricular & interdepartmental activities, Inter-college sports tournaments:

To promote holistic development and foster collaboration among students, the Principal suggested organizing co-curricular and interdepartmental activities. These activities will provide students with opportunities to showcase their talents, collaborate with peers from different disciplines, and

build a sense of community. Inter-college sports tournaments will also be organized to encourage healthy competition and sportsmanship among students.

Motivational Guest Speakers, Guest Lectures department-wise:

The Principal recommended inviting motivational guest speakers and arranging guest lectures from industry experts and renowned academicians. These sessions will provide valuable insights, inspire students, and keep them updated with the latest developments in their respective fields. Faculty members were encouraged to identify suitable guest speakers and coordinate their visits department-wise.

To organize Value added courses for Students

The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students.

Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action taken:

- The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Orientation Program and Fresher Day celebration.
- The committee for Class Time Table & Subject Allocation will be formed, consisting of faculty members from different departments. They will collaborate to create an optimized timetable.
- Faculty members will work together to prepare the Academic Calendar and Departmental Calendars, incorporating important dates and events.
- Faculty members will design internal examination and assessment methods, and communicate the schedules and evaluation criteria to students.
- Faculty members will explore opportunities for seminars, conferences, industrial visits, and educational tours, coordinating with industry professionals and experts.
- The administration will establish a system to engage alumni, assign mentors to classes, and select student representatives.
- Faculty members will develop and implement value-added programs and competitive classes to enhance students' skills.
- The administration will coordinate the organization of co-curricular and interdepartmental activities, as well as inter-college sports tournaments.
- Faculty members will identify and invite motivational guest speakers and guest lecturers, ensuring department-wise representation.
- The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure successful implementation of the proposed agendas.

Closing:

The Principal expressed gratitude to the teachers for their active participation and valuable contributions during the meeting. It was emphasized that their input plays a crucial role in shaping the academic environment for the students. Principal assured the faculties that their suggestions and concerns would be taken into consideration while implementing the discussed agendas.

The meeting concluded at 01.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

- 1. To organize Alumni, meet and farewell for the final year students:** The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.
- 2. To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
- 3. To discuss important questions for examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
- 4. Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development. The training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.
- 5. Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
- 6. To discuss the conduction of practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.
- 7. Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process were provided to the students.

submission process should be provided to the students to ensure a smooth submission process.

8. **To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
9. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
10. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
11. **To organize Value added courses for Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.
11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

Value Added Course
Textile Designing
EXPECTED OUTCOMES

On completion of the course, student will be able to-

- Design Principles: Understanding fundamental design principles, including color theory, pattern creation, and texture application.
- Technical Skills: Gaining proficiency in using design software such as Adobe Illustrator and Photoshop tailored for textile design.
- Fabric Knowledge: Learning about various types of fabrics, their properties, and appropriate uses in design.
- Trend Analysis: Developing skills to analyze and predict fashion trends to create market-relevant designs.
- Weaving Techniques: Acquiring knowledge of different weaving techniques and how they influence textile design.
- Printing Methods: Understanding various textile printing techniques like screen printing, digital printing, and block printing.
- Surface Embellishment: Learning methods for embellishing textiles, including embroidery, appliqué, and beadwork.
- Sustainable Practices: Emphasizing sustainable and ethical practices in textile production and design.
- Portfolio Development: Creating a professional portfolio showcasing a range of design projects.
- Industry Insight: Gaining insights into the textile industry, including production processes, market dynamics, and career opportunities.

Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

1. **To organize Alumni, meet and farewell for the final year students:** The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.
2. **To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
3. **To discuss important questions for examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
4. **Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development. The training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.
5. **Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
6. **To discuss the conduction of practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.
7. **Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

8. **To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
9. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
10. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
11. **To organize Value added courses for Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.
11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 02.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

- 1. To organize Alumni, meet and farewell for the final year students:** The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.
- 2. To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
- 3. To discuss important questions for examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
- 4. Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development. The training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.
- 5. Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
- 6. To discuss the conduction of practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.
- 7. Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.
- 8. To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars.

they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.

9. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
10. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
11. **To organize Value added courses for Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.
11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

1. **To organize Alumni, meet and farewell for the final year students:** The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.
2. **To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
3. **To discuss important questions for examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
4. **Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development.
5. The training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.
6. **Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
7. **To discuss the conduction of practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

8. **Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.
9. **To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
10. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
11. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
12. **To organize Value added courses for Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.

11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 02.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Value Added Course: Mobile App Development

EXPECTED OUTCOMES

On completion of the course, student will be able to-

- You'll gain proficiency in developing mobile applications for platforms such as iOS (using Swift or Objective-C) or Android (using Java or Kotlin).
- You'll become familiar with development tools and environments commonly used in mobile app development,
- Throughout the course, you'll have the opportunity to work on projects and build real-world mobile applications.
- In addition to development skills, you'll also gain an understanding of mobile app design principles and best practices.
- Completing a course in mobile app development opens up various career opportunities in roles such as mobile app developer, software engineer, iOS developer, Android developer, or mobile app designer. The demand for mobile app developers continues to grow as businesses and individuals seek to create innovative and engaging mobile experiences.
- With mobile app development skills, you may explore entrepreneurial opportunities by creating your own mobile apps or starting a mobile app development business.
- Mobile app development skills are in high demand, making it possible to work as a freelance developer or remote contractor.
- Mobile app development is a dynamic field that continuously evolves with new technologies and platforms.
- Journey in mobile app development. You'll need to engage in continuous learning and skill enhancement to stay updated on the latest trends and technologies.
- Mobile app development courses often provide opportunities to network with industry professionals, fellow students, and instructors.
