EventSummary	The workshop on soft skills provided participants with a valuable platform to enhance their communication, interpersonal, and leadership abilities. Through interactive sessions, engaging activities, and personalized feedback, participants developed a deeper understanding of the importance of soft skills in personal and professional success. The workshop not only equipped participants with practical techniques and strategies but also fostered a supportive learning environment that encouraged continuous skill development. By investing in soft skills training, participants were better equipped to navigate diverse environments, build strong relationships, and achieve their personal and professional goals.

Event Summary	The virtual listening skills program successfully provided participants with essential tools and techniques to enhance their listening abilities. By focusing on active listening, empathy, and overcoming barriers, participants developed a greater understanding of the importance of listening in effective communication. The interactive nature of the program allowed participants to actively engage, practice, and receive feedback on their listening skills. By improving their listening skills, participants are better equipped to foster meaningful connections, understand diverse perspectives, and build stronger relationships in personal and professional contexts.

EventSummary	The Artificial Intelligence Webinar conducted on 16/08/2021 was a successful and informative event. The primary objective of the workshop was to introduce participants to the intriguing realm of artificial intelligence and its diverse applications. The workshop covered various aspects of AI, including fundamental concepts, algorithms, and real-world implementations. Participants were exposed to the underlying principles of AI and the differences between AI, machine learning, and deep learning.

EventSummary	The Webinar on Web Designing organized by R.K. Vigyan (P.G.) Mahavidyalaya proved to be a valuable learning experience for participants. It successfully introduced students to the essentials of web designing, providing practical knowledge and showcasing real-world applications. The skills acquired in this Webinar will undoubtedly empower participants to create engaging and user-friendly websites. The college's commitment to organizing such Webinars contributes to enhancing students' digital skills and preparing them for a competitive and dynamic digital landscape.

EventSummary	The Basic Computing Skills Webinar organized by R.K. Vigyan (P.G.) Mahavidyalaya fulfilled its objectives of introducing participants to essential computer literacy. By providing hands-on practice and covering key computing concepts, the workshop empowered attendees to use computers effectively for personal and academic purposes. This initiative by the college contributes to fostering digital literacy among students and prepares them for success in the modern digital age.
