Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

1. **To organize Alumni, meet and farewell for the final year students:** The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.
2. **To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
3. **To discuss important questions for Mumbai University examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
4. **Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills Training programs. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development.
5. The Training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.
6. **Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
7. **To discuss the conduction of Mumbai University practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the

Principal
Dr. Rekha Gupta

Kalwar, Jaipur

practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.

8. **Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.
9. **To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
10. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
11. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
12. **To organize Value added courses for Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial **literacy**, and **career development**.

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming MUMBAI UNIVERSITY examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

6. Faculty members will discuss and plan the conduction of university practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.
11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 02.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

- 1. To organize Alumni, meet and farewell for the final year students:** The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.
- 2. To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
- 3. To discuss important questions for examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
- 4. Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs.
5. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development.
6. The training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.
- 7. Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
- 8. To discuss the conduction of University practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.
- 9. Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by students.

students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.

10. **To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
11. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
12. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
13. **To organize Value added courses for Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.

11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting. These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 02.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Minutes:

The meeting was called to order by Principal at 11.AM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

Frame time table for UG and PG courses:

The Principal proposed the framing of a comprehensive time table for undergraduate (UG) and postgraduate (PG) courses. It was suggested to ensure a balanced distribution of subjects, taking into account the availability of faculty members and minimizing scheduling conflicts. The faculty members responsible for each course were assigned the task of collaborating and finalizing the time table in consultation with the Principal.

Discussion on last year's results:

The Principal initiated a discussion on the previous year's results to analyze and assess the academic performance of students. Faculty members were encouraged to provide insights and identify areas for improvement, both at the individual student level and within specific courses. This discussion aimed to identify strategies and interventions to enhance student outcomes in the future.

Framing of academic planner:

The Principal emphasized the importance of a well-structured academic planner to ensure smooth functioning of the institution. It was proposed to frame an academic planner that includes key academic events, examination schedules, assignment deadlines, and other important dates. The faculty members were requested to collaborate and contribute to the development of the academic planner.

Faculty Development Program (FDP) for faculty development:

Recognizing the significance of faculty development, the Principal proposed organizing a Faculty Development Program (FDP). The FDP will provide opportunities for faculty members to enhance their teaching skills, explore innovative pedagogical approaches, and stay updated with the latest developments in their respective fields. The specific topics and duration of the FDP will be determined in consultation with the concerned faculty members.

Discuss admission policies and syllabus of value-added courses:

The Principal called for a discussion on admission policies, specifically focusing on ensuring transparency and fairness in the admission process. Additionally, the syllabus of value-added courses, designed to provide additional skills and knowledge to students, was brought forward for review and refinement. Faculty members were encouraged to contribute their suggestions and insights to improve the admission policies and syllabus.

Discussion of teaching methodology and incorporating new teaching methods:

The Principal emphasized the need to continuously evolve teaching methodologies to enhance the learning experience of students. Faculty members were encouraged to share innovative teaching methods and techniques that have proven effective in their respective domains. It was proposed to incorporate new teaching methods into the curriculum to promote student engagement, critical thinking, and active learning.

Promotion of teachers' participation in conferences and seminars:

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

To foster professional growth and keep up with the latest developments in their fields, the Principal highlighted the importance of teachers' participation in conferences and seminars. Faculty members were encouraged to attend and present papers at relevant academic events to exchange knowledge, gain exposure, and establish collaborations with professionals from other institutions.

Organizing guest lectures department-wise and promoting student activities:

The Principal proposed organizing guest lectures by experts and professionals in each department to enrich students' learning experience. These guest lectures would provide students with valuable insights, industry perspectives, and practical applications of their academic knowledge. Furthermore, the Principal emphasized the importance of promoting student development by encouraging them to organize maximum activities under the guidance of the Student Development Cell.

Action taken:

Faculty members responsible for UG and PG courses will collaborate to frame a comprehensive time table.

Faculty members will analyze and provide insights on the previous year's results, identifying areas for improvement.

Faculty members will collaborate to develop an academic planner, incorporating key academic events and deadlines.

The administration will organize a Faculty Development Program (FDP) for faculty members, focusing on their professional growth.

The admission policies and syllabus of value-added courses will be reviewed and refined based on faculty members' suggestions.

Faculty members will explore and incorporate new teaching methodologies into the curriculum.

Faculty members will be encouraged to participate in conferences and seminars relevant to their areas of expertise.

The administration will organize department-wise guest lectures, inviting experts and professionals to share their knowledge.

The Student Development Cell will work with students to plan and organize a maximum number of activities to promote their holistic development.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 01.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Minutes:

The meeting was called to order by Principal at 11.AM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

Frame time table for UG and PG courses:

The Principal proposed the framing of a comprehensive time table for undergraduate (UG) and postgraduate (PG) courses. It was suggested to ensure a balanced distribution of subjects, taking into account the availability of faculty members and minimizing scheduling conflicts. The faculty members responsible for each course were assigned the task of collaborating and finalizing the time table in consultation with the Principal.

Discussion on last year's results:

The Principal initiated a discussion on the previous year's results to analyze and assess the academic performance of students. Faculty members were encouraged to provide insights and identify areas for improvement, both at the individual student level and within specific courses. This discussion aimed to identify strategies and interventions to enhance student outcomes in the future.

Framing of academic planner:

The Principal emphasized the importance of a well-structured academic planner to ensure smooth functioning of the institution. It was proposed to frame an academic planner that includes key academic events, examination schedules, assignment deadlines, and other important dates. The faculty members were requested to collaborate and contribute to the development of the academic planner.

Faculty Development Program (FDP) for faculty development:

Recognizing the significance of faculty development, the Principal proposed organizing a Faculty Development Program (FDP). The FDP will provide opportunities for faculty members to enhance their teaching skills, explore innovative pedagogical approaches, and stay updated with the latest developments in their respective fields. The specific topics and duration of the FDP will be determined in consultation with the concerned faculty members.

Discuss admission policies and syllabus of value-added courses:

The Principal called for a discussion on admission policies, specifically focusing on ensuring transparency and fairness in the admission process. Additionally, the syllabus of value-added courses, designed to provide additional skills and knowledge to students, was brought forward for review and refinement. Faculty members were encouraged to contribute their suggestions and insights to improve the admission policies and syllabus.

Discussion of teaching methodology and incorporating new teaching methods:

The Principal emphasized the need to continuously evolve teaching methodologies to enhance the learning experience of students. Faculty members were encouraged to share innovative teaching methods and techniques that have proven effective in their respective domains. It

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kalwar, Jaipur

was proposed to incorporate new teaching methods into the curriculum to promote student engagement, critical thinking, and active learning.

Promotion of teachers' participation in conferences and seminars:

To foster professional growth and keep up with the latest developments in their fields, the Principal highlighted the importance of teachers' participation in conferences and seminars. Faculty members were encouraged to attend and present papers at relevant academic events to exchange knowledge, gain exposure, and establish collaborations with professionals from other institutions.

Organizing guest lectures department-wise and promoting student activities:

The Principal proposed organizing guest lectures by experts and professionals in each department to enrich students' learning experience. These guest lectures would provide students with valuable insights, industry perspectives, and practical applications of their academic knowledge. Furthermore, the Principal emphasized the importance of promoting student development by encouraging them to organize maximum activities under the guidance of the Student Development Cell.

Action taken:

- Faculty members responsible for UG and PG courses will collaborate to frame a comprehensive time table.
- Faculty members will analyze and provide insights on the previous year's results, identifying areas for improvement.
- Faculty members will collaborate to develop an academic planner, incorporating key academic events and deadlines.
- The administration will organize a Faculty Development Program (FDP) for faculty members, focusing on their professional growth.
- The admission policies and syllabus of value-added courses will be reviewed and refined based on faculty members' suggestions.
- Faculty members will explore and incorporate new teaching methodologies into the curriculum.
- Faculty members will be encouraged to participate in conferences and seminars relevant to their areas of expertise.
- The administration will organize department-wise guest lectures, inviting experts and professionals to share their knowledge.
- The Student Development Cell will work with students to plan and organize a maximum number of activities to promote their holistic development.
- These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were

Minutes:

The meeting was called to order by Principal at 12.PM in Seminar Room. The attendees were welcomed, and the agenda for the meeting was presented.

1. **To organize Alumni, meet and farewell for the final year students:**

The Principal proposed organizing an Alumni meet to facilitate interactions between current students and successful graduates. The event will serve as an opportunity for networking, mentorship, and sharing experiences. Additionally, a farewell program will be arranged to bid farewell to the final year students and celebrate their achievements. The specific dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.

2. **To conduct student exit survey:** The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.

3. **To discuss important questions for examination:** The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.

4. **Soft skills training for placement and internship:** To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development.

5. The training will specifically target placement and internship opportunities, equipping students with the necessary skills to succeed in their future careers.

6. **Analysis of slow learners and their mentoring:** The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the

Kaiwar, Jaipur

academic progress of slow learners and implement strategies to help them overcome their challenges.

7. **To discuss the conduction of University practical examination:** The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.
8. **Submission of dissertations and projects by students:** The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.
9. **To organize seminars by final year students:** To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
10. **To conduct remedial classes for weak learners on difficult topics on Saturdays:** The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
11. **To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.:** The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental quizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.
12. **To organize Value added courses for next Students**
The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Principal
Dr. Rekha Gupta
R.K. Vigyan (P.G.) Mahavidyalaya
Kaiwar, Jaipur

Action taken:

1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
3. Faculty members will collaborate to finalize important questions for the upcoming examination.
4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusing on difficult topics.
10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.
11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 02.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.

Value Added Course: Scientific Research Methods

Expected Outcomes

The expected outcomes of a Scientific Research Methods course typically include:

- **Understanding of Research Principles:** Students should gain a comprehensive understanding of the fundamental principles and concepts underlying scientific research, including the scientific method, research design, and hypothesis testing.
- **Research Design Skills:** Students should be able to design research studies effectively, including formulating research questions, selecting appropriate methodologies, and designing data collection procedures.
- **Critical Thinking and Problem-Solving:** The course should foster critical thinking skills, enabling students to evaluate research literature critically, identify research gaps, and formulate research hypotheses to address unanswered questions.
- **Data Collection and Analysis:** Students should develop skills in collecting and analyzing research data using quantitative, qualitative, or mixed methods approaches, depending on the nature of the research question.
- **Ethical Considerations in Research:** Students should understand the ethical principles and guidelines governing research with human subjects, animal subjects, and sensitive data, and demonstrate ethical behavior in conducting research.
- **Effective Communication of Research Findings:** Students should be able to communicate research findings effectively through written reports, presentations, and academic papers, following standard formatting and citation guidelines.
- **Literature Review Skills:** Students should learn how to conduct a comprehensive literature review to situate their research within the existing body of knowledge, identify relevant theoretical frameworks, and justify the significance of their research.
- **Problem Identification and Research Proposal Development:** Students should be able to identify research problems, develop research proposals, and articulate research objectives, methods, and expected outcomes clearly and concisely.
- **Collaboration and Teamwork:** Students should develop collaboration and teamwork skills through group projects, peer review exercises, and collaborative research activities, fostering an interdisciplinary approach to research.
- **Research Presentation Skills:** Students should gain confidence in presenting their research findings orally, using effective presentation techniques to engage and communicate with diverse audiences.
- **Preparation for Advanced Study or Careers in Research:** The course should prepare students for further study or careers in research by providing them with a solid foundation in scientific research methods and practices
