dates and details of these events will be decided in consultation with the concerned faculty members and student representatives.

- 2. To conduct student exit survey: The Principal suggested conducting a student exit survey to gather feedback from graduating students. The survey will focus on their overall college experience, including academic programs, infrastructure, faculty support, extracurricular activities, and placement opportunities. The feedback received will help in assessing the college's strengths and areas for improvement.
- 3. To discuss important questions for examination: The Principal highlighted the need to discuss and finalize the important questions for the upcoming University examination. Faculty members were encouraged to collaborate and share their expertise in determining the key topics and questions that students should focus on during their exam preparation. This will ensure that students are well-prepared for the examination.
- 4. Soft skills training for placement and internship: To enhance students' employability and prepare them for the professional world, the Principal proposed conducting soft skills training programs.
- 5. These programs will focus on improving students' communication skills, teamwork abilities, time management, and overall personality development.
- The training will specifically target placement and internship opportunities, equipping 6. students with the necessary skills to succeed in their future careers.
- 7. Analysis of slow learners and their mentoring: The Principal emphasized the importance of identifying and addressing the needs of slow learners. It was suggested to analyze the performance and progress of such students and provide them with personalized mentoring and support. Faculty members were requested to closely monitor the academic progress of slow learners and implement strategies to help them overcome their challenges.
- 8. To discuss the conduction of University practical examination: The Principal proposed a discussion on the conduction of practical examinations. The logistics, evaluation criteria, and assessment procedures for the practical exams will be determined and communicated to the faculty members. It was emphasized that the practical examinations should provide a fair and comprehensive assessment of students' practical knowledge and skills.
- 9. Submission of dissertations and projects by students: The Principal reminded the faculty members about the submission deadline for dissertations and projects by the students. Clear instructions and guidelines regarding the format, content, and submission process should be provided to the students to ensure a smooth submission process.

PERMANENT RECOGNITION NO.: F4[23]LEKHA/AKASHI/ANU/2007-08/1881 (छात्राओं को निःशुल्क शिक्षा देने वाला महाविदयालय) (P.G.) Mahavidyalaya, Kalwar qvan (AFFILIATED TO UNIVERSITY OF RAJASTHAN) Behind Kalwar Police Station, Kalwar, Jaipur

- 10. To organize seminars by final year students: To showcase the research and academic achievements of the final year students, the Principal suggested organizing seminars where they can present their findings and share their knowledge with the college community. This will provide a platform for intellectual exchange and foster a culture of academic engagement.
- 11. To conduct remedial classes for weak learners on difficult topics on Saturdays: The Principal recommended organizing remedial classes on Saturdays to provide additional support to weak learners. These classes will focus on addressing difficult topics and concepts, helping students overcome their challenges and improve their understanding. Faculty members were encouraged to volunteer and contribute to these remedial classes.
- 12. To organize science exhibition, Panache, departmental quizzes, industrial trips, surveys, etc.: The Principal proposed organizing various extracurricular activities and events, such as science exhibitions, cultural events like Panache, departmental guizzes, industrial trips, and surveys. These activities will provide students with opportunities for practical learning, creative expression, and holistic development.

13. To organize Value added courses for Semester 2nd Students

The Principal elaborated on the importance of providing value-added courses to enhance the academic experience and skill set of students. Various suggestions were put forth regarding the types of value-added courses that could be beneficial for Semester 2nd students. Suggestions included courses related to communication skills, coding, financial literacy, and career development.

Action Items:

- 1. The Principal will coordinate with faculty members and student representatives to finalize the dates and details of the Alumni meet and farewell program.
- 2. Faculty members will develop and conduct the student exit survey, ensuring comprehensive feedback is collected.
- 3. Faculty members will collaborate to finalize important questions for the upcoming examination.
- 4. The administration will organize soft skills training programs, focusing on placement and internship opportunities.
- 5. Faculty members will identify slow learners, provide personalized mentoring, and monitor their progress.
- 6. Faculty members will discuss and plan the conduction of practical examinations, ensuring fairness and thorough assessment.
- 7. The administration will remind students about the submission deadline for dissertations and projects, providing clear guidelines.
- 8. The administration will facilitate the organization of seminars by final year students, allowing them to showcase their research and knowledge.
- 9. Faculty members will schedule remedial classes for weak learners on Saturdays, focusingon difficult topics.

- 10. The administration will coordinate the organization of science exhibitions, Panache, departmental quizzes, industrial trips, surveys, and other extracurricular activities.
- 11. The Academic Committee will compile a list of potential value-added courses based on the suggestions provided during the meeting.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

Closing:

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 02.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.
