Event Summary	<p>The College-Organized Workshop on the Importance of Social Media Policy</p> <p>A social media policy is a set of guidelines and rules established by an organization to govern the use of social media platforms by its employees, representatives, or members. It aims to ensure responsible and respectful behavior online, protect the organization's reputation, maintain security, and establish a consistent online presence. A well-crafted social media policy helps create a positive online presence, protects the organization from reputational risks, and fosters a culture of responsible and effective social media use among its members or employees. Regular updates and clear communication about the policy are essential to ensure its effectiveness.</p>
